

WE'RE HIRING!

Are you a licensed plumber or plumbing apprentice? Do you have a genuine interest in the plumbing trade?
Would you like to make a meaningful contribution in a dynamic and growing organization?

Build Your Future Here.

What You Can Expect From Us

- A comprehensive compensation package, including competitive wages and access to the group benefits and pension plan
- Steady work on a variety of interesting projects across southern Ontario – including schools, universities, hospitals, sporting facilities, wineries and high-rise residential facilities
- To work with some of the best trades and office people in the industry, people who enjoy their work as much as you do, who are problem-solvers and team players
- To be supported by and use some of the latest construction technology and equipment
- A fast-paced and friendly work environment, where your career growth and development will be encouraged

Signs You'll Be a Good Fit

- You're good at earning and keeping the respect and trust of others
- You strive for excellence and it shows in the work you do and choices you make
- You're a positive person and a strong team player
- You follow through on your commitments
- You're a life-long learner

Want to build your future with us?

Email your resume with cover letter to careers@ljbarton.com.

We look forward to hearing from you!

Please note, only qualified candidates will be contacted.

Apprentices

Want a financially rewarding and personally fulfilling career? The plumbing trade is an excellent choice! The future looks bright for construction in Ontario, and, once you have your plumbing ticket, and some experience under your belt, the possibilities for advancement will only be limited by your own aspirations.

Just getting started? Enroll in a pre-apprenticeship program at a local college near you. We give bonus points to job candidates with a pre-apprenticeship certificate!

RELIABLE. RESOURCEFUL. RESPONSIVE.

Established in 1990, L.J. Barton Mechanical Inc. has grown to be the 'go to' multi-trade contracting company in the communities and sectors we serve, delivering a standard of care and excellence, quality of work, and value that exceeds industry benchmarks and customer expectations.
