Mechanical Inc.

# ELECTRICAL FOREMAN

**Are you an Electrical Foreman with a minimum of five years' experience?**

Are you looking for an employer that truly values you and your work and will also encourage your career growth?

## Signs You'll Be a Good Fit

- You're good at earning and keeping the respect and trust of others
- You strive for excellence and it shows in the work you do
- You're a positive person and a strong team player
- You follow through on your commitments
- You're a life-long learner

## Your Supervisory Skills

- Beyond being an experienced journeyperson, we are looking for candidates who excel at (or who have the potential to excel at):
- Organizing and planning projects based on a thorough understanding of plans, specs, schedules and safe work practices
- Working effectively with Project Managers
- Leading and encouraging a construction crew based on personal skills to achieve quality results
- Building productive relationships with General Contractors/Owners and subtrades
- Proactive problem solving and conflict resolution

## What You Can Expect From Us

- A comprehensive compensation package, including competitive wages and access to the group benefits and pension plan
- Steady work on a variety of interesting projects across southern Ontario – including schools, universities, hospitals, sporting facilities, wineries and high-rise residential facilities
- To work with some of the best trades and office people in the industry, people who enjoy their work as much as you do, who are problem-solvers and team players
- To be supported by and use some of the latest construction technology and equipment
- A fast-paced and friendly work environment, where your career growth and development will be encouraged

**Email your resume with cover letter to [careers@ljbarton.com](mailto:careers@ljbarton.com).**

**Please note, only qualified candidates will be contacted.**

# Build your future here.
