Mechanical Inc.

PLUMBING APPRENTICE

Are you interested in the plumbing trade and beginning your apprenticeship journey to become a licensed Plumber?

Are you looking for an employer that truly values you, your work and will also encourage your career growth?

Signs You'll Be a Good Fit

- You excel at earning and keeping the respect and trust of others
- You strive for excellence and it shows in the work you do and choices you make
- You are a positive person and a strong team player
- You follow through on your commitments
- You are a life-long learner

Build your Future Here

Want a personally rewarding career? The plumbing trade is an excellent choice! The future looks bright for construction in Ontario, and, once you have your plumbing ticket, and some experience under your belt, the possibilities for advancement will only be limited by your own aspirations.

If you have a technical aptitude and are willing to put the work in on your apprenticeship, the trades offer an opportunity for lifelong learning.

What You Can Expect From Us

- A comprehensive compensation package, including competitive wages and access to the group benefits and pension plan
- Ability to work on a variety of interesting projects across southern Ontario – including schools, universities, hospitals, sporting facilities, wineries and high-rise residential facilities
- To work with some of the best trades and office people in the industry, people who enjoy their work as much as you do, who are problem-solvers and team players
- To be supported by and use some of the latest construction technology and equipment
- A fast-paced and friendly work environment, where your career growth and development will be encouraged

**Email your resume with cover letter to careers@ljbarton.com.
Please note, only qualified candidates will be contacted.**

Build your future here.

Established in 1990, L.J. Barton Mechanical Inc. has grown to be the 'go to' multi-trade contracting company in the communities and sectors we service, delivering a standard of care and excellence, quality of work, and value that exceeds industry benchmarks and customer expectations.
