

L.J. Barton
Mechanical Inc.

MECHANICAL PLUMBING FOREMAN

Are you looking for an opportunity to lead a Plumbing Crew as a Mechanical Foreman?

Are you looking for an employer that truly values you, your work and will also encourage your career growth?

L.J. Barton Mechanical Inc. is currently looking for a full-time Mechanical Plumbing Foreman to join our dynamic team! This is an excellent opportunity for a self-motivated, energetic team player who wants to be a part of a growing organization.

Working with a professional and diverse group of tradespeople and office staff, this position offers comprehensive compensation including competitive wages, access to the group benefits and pension plan, and ongoing learning opportunities.

Key Responsibilities:

- Site supervision and delegation of responsibilities of daily tasks to crew
- Organizing and planning projects based on a thorough understanding of plans, specs, schedules and safe work practices
- Working effectively with Project Managers and build productive relationships with General Contractors/Owners and Subtrades
- Leading and encouraging a construction crew recognizing strengths of each individual to achieve quality results
- Proactive problem solving and conflict resolution
- Promote and enforce health and safety regulations and requirements
- Monitor quality control on site
- Manage all on site material and ensure sufficient quantities to complete job

Qualifications:

- Must be an active member of Skilled Trades Ontario and hold a 306A license
- 2+ years of commercial and industrial experience as a Senior Journeyman, Lead Hand, or Foreman
- Demonstrated ability to lead people
- Excellent written and verbal communication and interpersonal skills
- Capacity to coordinate multiple tasks through superior time management skills
- Highly organized, detail oriented & self-motivated with the ability to take initiative and work in a fast-paced environment
- Team focused with ability to work independently to meet deadlines and goals
- Knowledge of the latest construction technology and equipment

Email your resume with cover letter to careers@ljbarton.com.

Please note, only qualified candidates will be contacted.
